## Criminal Convictions

**Declaration of Criminal Convictions** - Our aim is to create a safe and healthy environment for all those who use the College. This includes all those studying and working at the College or using its services. We also have a duty of care to those under the age of 18 and those deemed to be vulnerable and 'at risk'. To help achieve these goals we need to know about those applying to the College with unspent convictions related to serious offences. If you say 'YES' you will be asked to complete a confidential form. A judgement will then be made based on the information provided. Failure to reveal a conviction will end any enrolment agreement with the College. However, having a criminal record will not necessarily bar you from a place on a College course. This will depend on the circumstances and background of the offence.

Do you have any unspent criminal convictions?  Yes  No

If you say 'Yes' you will be asked to complete a confidential form. Failure to reveal a conviction will end any enrolment agreement. Having a criminal record will not necessarily bar you from a place on a Barnfield course.
