

CAREERS PROGRAMME

CAREERS PROGRAMME

At Barnfield College, we are committed to empowering our students to reach their full potential and achieve their career aspirations. Our approach to a comprehensive Careers Programme takes shape through GAP. GAP is our answer to preparing students personally and professionally for life after college. GAP is built on four key pillars:

CAREERS ADVICE

Tailored advice and guidance that will shape your career plan, preparing you for your next steps.

EMPLOYER ENCOUNTERS

Dive into on-the-job training, industry placements, masterclasses, live briefs and much more.

PROJECT BRAVURA

Gain skills that go above and beyond those on your qualification, that employers tell us are exactly what they're looking for.

PERSONAL DEVELOPMENT

A full programme of activities is planned to help you grow, develop confidence and enhance life skills.

GAP is designed to provide you with the information needed to make informed decisions about your future. We offer one-on-one careers advice, helping you to identify strengths, interests, and goals. Through career assessments and expert advice, we'll assist you in making well-informed choices regarding your academic and career path.

Career Education is embedded into our curriculum and TPA sessions it includes masterclasses, live briefs, workshops, events, and access to valuable resources that will prepare you for the competitive job market. We believe in fostering a strong connection between education and employment, ensuring you are equipped with the skills, experience and knowledge necessary to thrive in your chosen field.

Our Careers Programme is mapped against the Gatsby Careers Benchmarks (GB) and the Careers Development Institute (CDI) new Career Development Framework (CDF).

GATSBY BENCHMARKS

The Gatsby Benchmarks are recognised nationally as a holistic framework to support the delivery of careers education and guidance. Our curriculum and careers programme have been closely mapped to the benchmarks. For more information on the Gatsby Benchmarks click here:

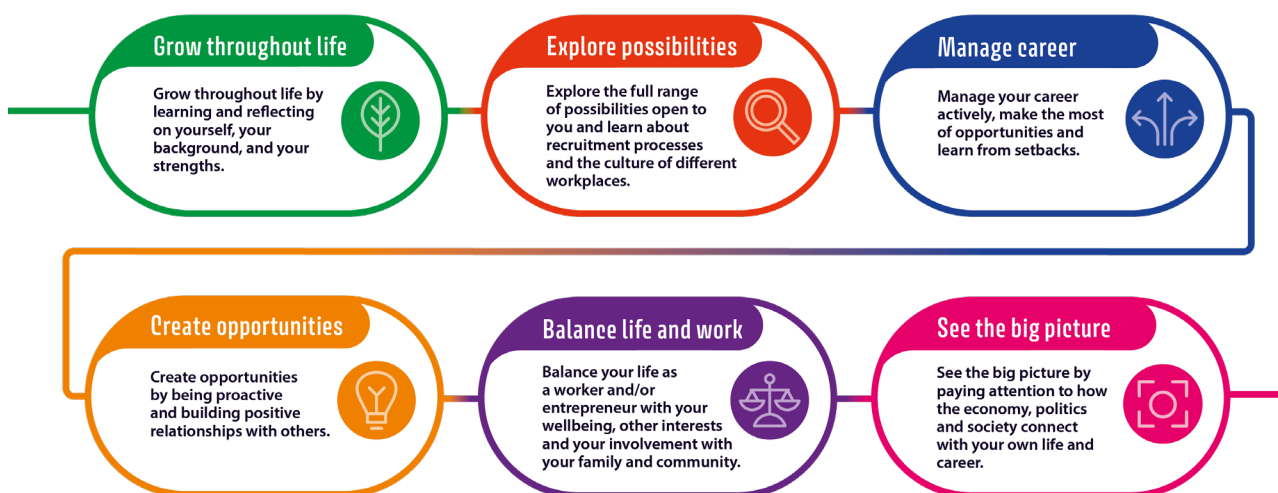

<https://www.gatsby.org.uk/education/focus-areas/good-career-guidance>

The eight Gatsby Benchmarks of Good Career Guidance are:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

CDI CAREER DEVELOPMENT FRAMEWORK

The CDI launched their new Career Development Framework (CDF) in 2021 which looks at six key areas to enable learners to have a successful career. Our curriculum and careers programme has been closely mapped to the framework to give our learners the tools they need to manage their own career journey.
