Learner Support Fund and Bursary Policy 2026–2027

The College administers Learner Support Funds and Bursary funding in accordance with the DfE funding rules for post-16 education (2026–27).

Funding is:

- Discretionary
- Based on individual financial need
- Awarded to meet actual participation costs

Funding is limited and the availability of support is dependent on budget allocations.

Support is only provided to cover essential costs directly related to participation, including:

- Travel
- Meals
- Essential course equipment
- Childcare

Funding must not be used for general living costs or non-essential purposes.

Purpose

The purpose of this Policy is to ensure that Learner Support Funds and Bursary funding are administered fairly, consistently and in accordance with the Department for Education (DfE) funding rules and guidance.

The Policy provides the framework for assessing applications, determining awards and ensuring that public funds are used appropriately to remove financial barriers to participation in learning.

Scope

This Policy applies to all staff involved in the assessment, approval, administration and monitoring of Learner Support funding. It covers:

- 16–19 Bursary Fund

Key Principles

The College will ensure that:

- All awards are based on individual assessment of need

- Awards are supported by appropriate evidence
- Flat-rate or blanket payments are not made unless approved by Compliance and Funding Manager
- In-kind support is prioritised over cash payments
- Funding is not an entitlement.
- Awards are subject to the availability of funds.
- Awards will normally be based on the lowest reasonable cost necessary to enable participation.
- Learners must promptly report any change in circumstances that may affect their eligibility or award.
- The College reserves the right to amend, suspend or withdraw awards where eligibility or participation changes.

Funding must only be awarded where it is necessary to remove a financial barrier to learning.

Learners must:

- Be ordinarily resident in the UK on the first day of learning
- Have a legal right to reside in the UK
- Meet DfE funding eligibility requirements

- Be enrolled on an eligible further education programme
- Be participating in learning funded by the DfE

- Receiving Employment and Support Allowance (ESA) or Universal Credit together with Personal Independence Payment (PIP) or Disability Living Allowance (DLA) in their own name, in accordance with DfE guidance. Receipt of DLA or PIP alone does not meet the criteria.

Students aged 19 or over are not eligible for vulnerable bursary funding unless they meet the 19+ continuer or EHCP criteria.

2. Award

- Maximum £1,200 per academic year
- Awards are determined by individual need
