## CRIMINAL CONVICTIONS

Declaration of Criminal Convictions – Our aim is to create a safe and healthy environment for all those who use the College. This includes all those studying and working at the College or using its services. We also have a duty of care to those under the age of 18 and those deemed to be vulnerable and 'at risk'. To help achieve these goals we need to know about those applying to the College with unspent convictions related to serious offences. If you say 'YES' you will be asked to complete a confidential form. A judgement will then be made based on the information provided. Failure to reveal a conviction will end any enrolment agreement with the College. However, having a criminal record will not necessarily bar you from a place on a College course. This will depend on the circumstances and background of the offence.

Do you have any unspent criminal convictions?  Yes  No

## TERMS AND CONDITIONS

We ask all of our students to accept the College's terms and conditions and can give you full details on request. The main ones for applicants are: • We will do our best to run the courses as advertised in the prospectus. We can only do so if we have enough students to make the class viable. If we have to change or cancel a course in exceptional circumstances, we will do our best to offer a suitable alternative. • We do our best to give accurate information about our courses and College facilities. These can change at short notice and the College does not accept responsibility for errors and omissions. We reserve the right to make changes without prior notice. • All students agree to abide by the College's rules and regulations, including the Student Code of Conduct. • Our contract will be made with you as the applicant and not a third party. If you are under 18, we will communicate with your parents or guardian for any matters which legally require their involvement. • We base our decisions on the information you give us and will normally ask for references. In addition to any published entry requirements, such as exam grades, we look for suitability for the course, including interest in and commitment to your studies. Giving false information may lead to the cancellation or withdrawal of an offer of a place.
